

*The #1 Buick Dealership in the USA*

8737 West Bell Road • Peoria, Arizona • 85382 • 623 • 933-5000

To Whom It May Concern;

Liberty Buick is pleased to offer your organization a specialized price structure on all new and pre-owned cars sold to members of your organization. For every vehicle sold to one of your members Liberty Buick will donate \$100.00 to your organization.

Liberty Buick and our sister stores, Peoria Pontiac-GMC and Peoria Kia in Peoria and Liberty Kia in Prescott Valley will give your members the special price of \$100.00 over factory invoice on any new vehicle and your members get to keep all the rebates and incentives. Our company will do special fleet pricing on any pre-owned vehicle in our inventory. By offering you this from our 4 dealerships, your members will have a choice of over 1500 new and 1000 pre-owned vehicles.

To make sure that your organization gets these benefits, we ask your members to contact me personally in advance to make an appointment. I will make sure your organization gets the credit for referring a member, that your member sees the correct person, with the correct price structure at each dealership.

I am the owner of all the dealerships participating and a two time Armed forces veteran. This is just one way we can help your organization and your members. Please do not hesitate to contact me at one of the dealerships if I can be of assistance.

Thank you,

Dana E. Moore  
President
